Group Fitness Class Descriptions

HOT POWER YOGA Special Event 2 Classes Only **6.30pm Wednesday 3rd & 10th October 2018**

This 45 minute HOT POWER YOGA class is a quicker flow of yoga and concentrates on cardio plus strength while maintaining the principles of Yoga. Room Temp approx 28-30 degrees

NB: You will need to hydrate before, during and after the class, Non-members \$11.00 per class

TABATA: Tabata training is one of the most popular forms of high-intensity interval training (HITT). Tabata consists of 4 minute rounds with 20 seconds of high intensity exercise with a 10 second recovery each round has 8 cycles hence 4 minutes

Yoga Hatha: Strength and flexibility through the use of physical posture, breathing and relaxation techniques. Beginners are definitely welcome; just take it at your own pace.

Pilates Mat: This class will not only challenge your core strength, balance and flexibility, it will give you a full body workout. Pilates aims to improve your body awareness by improving postural alignment, aiding in injury prevention.

RIP: Non-intimidating resistance training class using barbells with movements set to uplifting music. Designed to tone and strengthen your body & burn fat, a great class for beginners to experienced.

RESULTS: takes the best of boot camp, HITT, aerobic and toning/strength class formats and combines them with current core and functional equipment technology.

Results classes will use everything from Suspension Training, Kettle bells & BOSU just to name a few plus Cardio Training, is perfect for all fitness levels.

X-Trainer: Reclaim your body and X-train for improved overall fitness. This class mixes up cardio and strength and agility to increase your physical strength, flexibility and cardiovascular health
